

DSM2

1205 Technology Parkway, Cedar Falls, IA 50613

DSM2 is located in the Cedar Valley region of Cedar Falls, Iowa, which comprises six counties strategically located along key transportation routes connecting it to ten major metro areas. Located in the industrial technology district, DSM2 enables connectivity to domestic and international markets via Des Moines, Chicago, Omaha and Minneapolis. Offering multiple low latency routing options, this 24K SQFT, network-neutral data center also has expansion potential for an additional 10K SQFT.

Thriving Business Hub

Iowa has a strong presence of industries that require reliable data center infrastructure to achieve their IT goals, including financial services, insurance, manufacturing, agricultural technology (AgTech) and publishing companies. DSM2 is conveniently located downtown in the Financial Center building at 666 Walnut Street. Our facility enables connectivity to 26 unique networks in the Cologix Meet-Me-Room and direct

access to the DesMoinesIX internet exchange. DSM2 also features an additional 8K SQFT of expansion capacity with 1.0 MW of power.

Why Cologix Des Moines?

Located in the heart of Iowa and in the middle of the Midwest, our 2 Des Moines facilities provide strategic and reliable locations for interconnection, and connectivity to domestic and international markets.
